FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects for Android Screenshots
Download and install FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects APK on Android
In other to have a smooth experience, it is important to know how to use the APK or Apk MOD file once you have downloaded it on your device.
APK files are the raw files of an Android app similar to how .exe is for Windows. The APK means Android Package Kit (APK for short). It is the package file format used by the Android operating system for distribution and installation of mobile apps. How do I set up FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects?
In 4 Simple Steps, I will show you how to use FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects.apk app on your Phone once you are done downloading it:
Step 1: Download the FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects.apk on your device
You can do this right now, by using any of our download mirrors below. Its 99% guaranteed to work. If you download the apk on a computer, make sure to move it to your android device.
Step 2: Allow Third Party apps on your device. To install the FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects.apk, you must make sure that third party apps are currently enabled as an installation source. Just Go to Menu > Settings > Security > and check Unknown Sources to allow your phone to install apps from sources other than the Google Play Store. On Android 8.0 Oreo, rather than check a global setting to allow installation from unknown sources, you will be prompted to allow your browser or file manager to install APKs the first time you attempt to do so.
Step 3: Goto Your File manager or browser location You will now need to locate the FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects.apk file you just downloaded. If you prefer, you can also download a file manager app here so you can easily find files on your Android device. Once you have located the FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects.apk file, click it and it will start the normal installation process. Tap "Yes" when prompted for anything. However, be sure to read all on-screen prompts.
Step 4: Enjoy FlipLip Voice Changer for Messenger with Helium, Robot, Echo and Face effects is now installed on your device. Enjoy!
Are APK Files Safe?
Disregard any rumors or a site that says otherwise. APK files are generally as safe as an .exe windows pc file hence, the most important thing to note is that you should always download it from trusted sites. You generally do not have anything to worry about as we have provided some of the safest sites in our Apk download mirrors below. Thank you for reading this tutorial.
Download your app below!

2. Live Voice Changer - Prankcall
The Live Voice Changer application allows you to change your voice in real-time. You can now have fun fooling and pranking your friends while talking to them. You have the choice of using the opposite gender's voice and eleven other live voices that you can use. You can be Tom Cat and even Darth Vader using the Live Voice Changer application. The plus point of this application is that it is not only a voice changer but a professional voice recorder as well.
Supported: iOS 10.0 or later, Android 4.0.3 and up
Price: The application is free to download but offers in-app purchases.
3. MagicCall
This fun application allows you to trick your friends by calling them and changing the voice in real-time. You can be a man, woman, child, and even a cartoon! If you want to further mess with them, you can even use the voice-changing feature mid-call. The MagicCall Voice Changer application allows you to add sound emoticons, giving you options to add claps, smooches, and many more sounds during your call. You can "up" your call game by adding various background sounds such as the rain, traffic, and even a music concert.
Supported: iOS 9.0 or later, Android 5.0 and up
Price: The application is free to download but offers in-app purchases.
4. Funcall-Voice Changer and Recording
This application has multiple uses, offering the facility to make international phone calls, record these phone calls as well as the option to add funny and exciting voice effects. Funcall can be used if you want to prank a friend or relative and just to have a little harmless fun! The application offers many background sounds that can make your calls entertaining. The clean and minimalist design helps to make the application user-friendly.
Supported: iOS 9.0 or later, Android 4.1 and up
Price: The application is free of charge but offers various promotions from time to time for in-app purchases as well as some low-cost packages which are primarily related to the international calling feature of the application.
5. PrankDial
PrankDial allows you to prank call your friends and loved ones and is meant to bring lots of laughter. The special feature of this application is that it has prank calls saved, offering users more than 150 prank calls to use from. The application automates a call and speaks to the person like a real person. You do not have to even record your own voice; PrankDial will create the content for you! You choose hilarious prank calls, as some of the classics, and trick your friends.
Supported: iOS 12.0 or later, Android 4.4 and up
Price: You can download the application for free, and you get 3 free calls per day and various in-app purchase options.
Above,we've discussed 10 real-time voice changer.Do you have any decision to get a choice? Besides,we prepare the guide and list to change your voice to Anime,female and scary voice real-time.Hope it can be helpful for you to choose a suitable real-time voice changer.
6. Voice Changer Plus
The Voice Changer Plus application will make recording and sharing fun and entertaining, and it is not only for talking. You can even sing, and that too using the voice effects from your favorite bands! The Voice Changer Plus gives you a choice of 55 different voice effects and background sounds. You can save and share your voice recordings with your friends. It even lets you layer different voices on previously saved recordings. The application is not only fun but also easy-to-use and can be a great source of entertainment for you and your friends.
Supported: iOS 11.0 or later, Android 4.0 and up
Price: It is absolutely free to download! However, like all applications, there are in-app purchases available for those you want to pay and get premium features.
7. Real-Time Voice Changer Lite
The Real-Time Voice Changer Lite application allows you to record your voice in different voices and listen to them in your earphones as the recording is taking place. The application gives you the option of three different voices. Now you can create and share content with your friends. You can use this easy and simple voice changer to add cool effects to your video or even audio.
Supported: Android 2.3 and up
Price: The application is free for downloading but offers various in-app purchases for as low as \$0.99.
8. Call Voice Changer- InCall
Call Voice Changer has been labeled the ultimate application for making funny calls giving you the ability to make your voice high, funny, deep, and even scary. All of this can be done by a single button! You can also add various sound effects to your call in between your call and add different background sound effects like cartoon characters, birthday songs, and even things in different languages. This is a perfect voice changer for prank calls, and you can now use it to fool your friends.
Supported: iOS 9.0 or later
Price: The application offers a free trial period for 3 days, after which there are two options available to users; a Pay As You Go plan and a Subscription Plan, with the subscription period being one week. The application also offers in-app purchases.
9. Change My Voice
This fun voice changer helps you change your voice so much so that your friends and family would not be able to recognize you! It is perfect for pranking someone. You can use tone control, adding various echo and chorus effects. This application gives you preset options. Hence it is perfect for those who aren't experts. All changes made to the voice are instant, so you get to know immediately what the impact of a tool is and if you want to change it or not.
Supported: Android 1.6 and up
Price: The application is free to download with in-app purchases.
10. Squeak Voice Changer
This easy-to-use application is ideal for novices. It has lots of fun and cool features that would help make your video exciting. All voice filters available are based on fun characters, which can be applied in no more than four easy steps! Squeak Voice Changer not only allows you to enhance your audio and add various audio effects, but you can also share your content with your friends! This application allows you to share your audio files through SMS, WhatsApp as well as Facebook.
Supported: Android 4.3 and up
Price: The application is free for download. However, there are minor costs associated with in-app purchases. The average price for in-app purchases is \$0.99 to \$1.49 per item.
Final Words
In this article, you now know the top 10 real-time voice changer applications that can be used. You can also know the pricing and where to download the applications from. Most of the applications are available for both Android and Apple and PC users. My choice is iMyFone MagicMic live voice changer, which is offering the best features and easy-to-use platform.How about you? Try It
